Memo No. 3760/1((615))/XXX - 55 /DSDA/2025

Dated, Digha, the 28.05.2025

To :

The Proprietor/Director/Manager,

A.M. RESIDENCY,

N2 Sector,

Digha :: Purba Medinipur.

Sub : Discrepancy Between TCAC Register and SWAGATA Portal Entries – Show Cause Notice.

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Digha :: Purba Medinipur.

Sub : Discrepancy Between TCAC Register and SWAGATA Portal Entries – Show Cause Notice.

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Executive Officer

Sir/Madam,

Digha Sankarpur Development Authority (DSDA) has observed that while your hotel establishment has begun uploading data in the SWAGATA portal, there exists a noticeable discrepancy between the entries recorded in the physical TCAC register and those reflected on the portal.

Such inconsistencies raise concerns regarding underreporting of boarders. Please note that in case of showing less boarders in the SWAGATA portal than actual, a fine of ₹500 per tourist will be imposed on your establishment which has already been decided in the Meeting held on 28.12.2024.

Additionally, you are also instructed to immediately remit the due amount of money collected as TCAC which has been uploaded in the portal but not yet deposited to the Authority through online. Non-remittance of such collected charges will be treated as a serious lapse and will attract financial penalties.

You are hereby directed to reconcile the records and submit a written explanation within 03 (three) days from the date of issue of this notice.

Prompt compliance is expected.

Yours faithfully,

Executive Officer
